Call for Papers/Abstracts

We would like to invite you to participate in KM 2018, which will be held in Pisa, Italy on June 20 - 23, 2018, hosted by the Department of Economics and Management, University of Pisa. Situated in the beautiful region of Tuscany, 10 miles from the sea, Pisa is known for its leaning tower, and offers cultural, architectural and intellectual experiences inspired from its thousands of years of history. The KM Conference 2018 will provide a showcase for the latest research in practice and pedagogical topics that focus on knowledge management, learning, and information technology, as well as how they are used to improve and sustain quality in organizations. You are invited to share your research on the conference theme or other relevant KM research with the scholars and professionals attending the KM 2018 International Conference. Papers covering related academic and technical issues are also encouraged. Submit a paper/abstract at: <http://iiakm.org/conference/>
